3: FAI licences.

We are well in to the competitions season, but still have applications for FAI licences made two days before a competition, and a large number in the two weeks before. This holds up all our other business at a busy time of year. Please try to plan ahead, send in your cards at your renewal and remember, the post is the weakest link!

We are currently requesting FULL BHPA membership for people based in the UK, and a

minimum of non flying membership for those living overseas. This is an FAI requirement made in the Sporting Code. *hgmeethead@aol.com*
