1: Staff Changes

We regret that as a result of the economic downturn we have had to make savings. The position of Technical Administrator has been determined to be redundant and thus Tony Mitchell left our employment recently. We are sorry to lose Tony, who has been working at the office for ten years, and wish him well for the future.

The administration of examinations and licences will now be absorbed into Ruth's job and, as Elaine will be retiring in September, Stef has taken over responsibility for PRS exams and arranging Instructor / Coach courses etc.
