We also have a provisional EPS Course in October 2007 (Date and venue to be arranged). Please let us have contact details if you are interested. Existing applicants will be kept up to date.

3:Membership

Introductory Membership Certificates

Schools should be aware that once an Introductory Membership Certificate is issued it cannot be cancelled - even if the weather changes and the student is not able to fly. Therefore certificates should not be issued until the student is ready to start training.

Could Schools please make sure that they give only the half of the certificate that shows the certificate number to the student. The Membership Certificate should be sent in by the school and **NOT** the student. The cover sheet along with certificates and all payments due must be returned together.

Members living overseas

Please be aware that overseas memberships incur an extra postal charge. To obtain the correct fee we advise you to ring the BHPA office when signing up students from abroad. As a non UK resident, the member also needs to be made aware that the BHPA insurance only covers them for flying in the UK.

Student Discount

When sending in 'FME' (Educational Discounts, School and University Students) memberships to the BHPA office, please make sure that documentation showing proof of student status is enclosed, as the membership will not be processed until this is received.

4: Foreign Pilots and BHPA ratings

Recently we have had a couple of foreign pilots contact us wishing to join and gain a BHPA rating at short notice. They were advised by their clubs that all they needed to do was copy to us an IPPI card. THIS IS NOT CORRECT!

Please note that the way in is as laid out in the Technical Manual (Alternative Entry to the PRS), 3.4.1. The Technical Manual is on the website at:
<http://www.bhpa.co.uk/members/schools/index.php>

For all pilots, whatever their level of accomplishment, an examination is necessary!

Either the Club Pilot exam or the Pilot exam can be ordered and invigilated by an appropriately qualified Club Coach.

Obviously with the best will it will likely take two to three weeks to get a person BHPA membership and a rating, so last minute applicants before a competition will be disappointed.
