Policy Summary

Your side of the bargain

Remember, the premium and insurance cover will be based specifically on the details you provide to the Association. So the information you give the Association will form a record of your unique combination of demands, needs and circumstances.

Please make sure the information the Association holds on you is complete and accurate, and inform them immediately of any changes in circumstances that may affect the services provided by us or the cover provided by the policy. This is particularly important before taking out a policy, but it also applies throughout the life of a policy.

You need to bear in mind:

If you fail to disclose any information material to the insurance you could invalidate the policy and claims may not be paid.

You should read and check all insurance documents to ensure that you are aware of the cover, limits and other terms that apply.

Please be aware of all terms and conditions of the Association's policy as failure to comply with them could invalidate it.

In the event of a claim, you should take note of the required procedures, such as prompt notice to the Association of the claims, as stated in the policy documentation.

As with any insurance, you have an obligation to take reasonable steps to mitigate any loss.

Policy length

Insurance contracts normally run for a period of 12 months and your contract period will be clearly shown in the Association's schedule of insurance. You must tell the Association of any changes to your business as described in the insurance policy and we will then have the option of amending the terms of the policy or issuing the Association with notice of our intention to cancel it.

If you suffer a loss and need to make a claim you should contact the Association on 0116 289 4316 or via email at office@bhpa.co.uk.
