

# SAFETY NOTICE

Issued by Angus Pinkerton - Chairman of the Flying & Safety Committee - 7 August 1996

*All paraglider pilots (including Safety Officers, Coaches and Instructors).*

*If you hold a copy of the BHPA Technical Manual this notice must be inserted into it and retained until it is withdrawn or superseded on instructions from the Chairman FSC.*

## Paraglider Harness Failure

A fatal accident has occurred in France in which the pilot fell out of his harness following the failure of the stitching on the harness leg straps. The harness was manufactured by FUN 2 FLY of South Africa.

All pilots are reminded of the need to carefully check the harness as part of their Daily Inspection.

Owners of FUN 2 FLY harnesses should contact a BHPA Technical Officer for further advice.
